FROM THE PASTOR'S DESK BY DR. MARK CROSBY

The Holiday Season officially begins this month (November 24th to January 2nd). This is the season where we pause and give thanks as we reflect on God's grace and provision. It is the season we remind the world that Messiah was born to bring salvation to all who will believe. It is a time to bring in a New Year with new hopes, dreams and goals. For many it is a time to reflect on what really matters in life. As we review the year 2021 we reflect on another year of a pandemic (Delta variant) and division. We reflect on disasters brought on by hurricanes and other extreme weather conditions. We see inflation occurring while supplies are falling. It is during this time we ask the question, "What really matters?"

As we reflect on this question we come to some common conclusions. Most of us declare that what really matters is our family, our faith, our future and the facts of who we are, why we are here and where we are going.

In the month of November we will be asking the question "**What really matters?**" This series will be looking at the importance of family, faith, the future and the facts as presented in scripture and our response to those facts. So as we approach the Holiday Season, I hope you will join us as we study "**What really matters?**" as we prepare for a most wonderful time of year, a time of thanksgiving and praise.

I hope to see you Sunday.

WHERE AM I GOING? BY SAM LOBELLO

Decades ago I was walking down a hall. I soon came to the end. To the right was the Sanctuary. In front of me was the Fellowship Hall. To my left was the Christian Training Center. The problem was I didn't know which way to go. I ask myself, "Where am I going?"

Maybe you can identify. There is no shortage of things that pull on our lives, our time and our energy.

Jesus provided clarity for me on where I was to be going with my life. These words are recorded in Matthew 28:18-20 where Jesus said, "All authority in Heaven and on earth has been given to Me. Therefore, go makes disciples…"

Our going, as Christians, is to be intentional. Literally, as we go wherever we go, we are to be making disciples.

A disciple, in this context, is a follower of Jesus. One who desires to learn Jesus' teachings and disciplines their life to walk in obedience to those teachings…to Jesus' will for their life…to His ways.

You see, disciples of Jesus are not born, they are made. It requires Christians who intentionally invest themselves in other Christians to help them grow through the stages of spiritual development. Jesus accepts us as we are, but He has no intention of leaving us like He found us.

Making disciples is an act of obedience to the last words Matthew records from our Lord and Savior before He ascended into Heaven…"Go make disciples." It's all about making disciples who make disciples.

So now "my going" is intentional and with purpose. For Jesus sends all believers to go make disciples!

I challenge you to ask yourself as I did, "Where am I going?"

CHRISTMAS MISSIONS PROJECT

BY FAITH STORCK

During the month of November, we will be collecting new, unused toys for the foster kids in Louisiana. We are asking our church to purchase toys for kids ages newborn to 18. Please drop off your toy donation in the church lobby. If you would rather us do the shopping, please direct your donations to the Christmas Missions Project Fund. If you have any questions, please email faith@loumc.org.

CHILDREN'S MINISTRY BY FAITH STORCK

The children of Live Oak are on a mission to find baby Jesus. He is somewhere on campus and we must find him before King Herod does. Once he is found, the kids will make their very own gingerbread nativity scene, have craft time, do a science experiment as well as play games. This event is free and for children ages kindergarten through 3rd grade. Email faith@loumc.org with any questions.

GLOVES MINISTRY BY STEPHEN HEBERT

In the summer of 2005, a group of Church members from Live Oak Church got together and went on a Volunteers In Mission (VIM) trip to Mexico just after hurricane Emily had passed through. Our small team was comprised of just 5 men and 3 women, and we packed up and headed out hoping to make a difference anyway we could. We were faced with many obstacles on this trip, and these were just to name a few:

- We had a two day time constraint.
- We had limited supplies and a small budget.
- We had an extensive project to accomplish.
- We had only limited experience working together as a team with a variety of different backgrounds.
- And our biggest hurtle we had in front of us, was out of the 8 of us, none of us knew how to speak Spanish, and we were deep into Mexico without an interpreter! Our interpreters were reassigned to go to the border to handle issues regarding the shipment of supplies to the hardest hit areas for hurricane relief, so we were on our own but with God smiling down at us.

Despite all of the obstacles we faced, we worked together as a team, we utilized everyone's gifts in very specific and special ways, and we persevered to the very end. When we had finished:

- We had strong friendships and thorough fellowship.
- We had developed a strong, capable team where everyone could shine the love of God.

- We walked away with strong fulfillment from serving God and serving His people.
- And we probably built the 3 strongest, wooden walls in all of Mexico!

At this point in my life, I had served in a handful of settings, but this particular mission was unlike the others. Each of us walked away with a new testimony. Each of us came home different than who we were when we had originally arrived there. We accomplished everything we had set out to do with just 8 people, men and women from totally different backgrounds and totally different experiences. Imagine what we could accomplish if all of our church members were involved in a ministry like this right here in Watson? Right here in Livingston parish? Shortly after this trip, in August of 2005, the GLOVES Ministry was born at Live Oak Church, and for the last 16 years it has blessed hundreds of people since that time. The ministry hasn't just blessed the people we served, but more so, the people who served.

Romans 12 : 3 – 8 describes humble service in the Body of Christ. The Apostle Paul writes:

3For by the grace given me I say to every one of you: Do not think of yourself more highly than you ought, but rather think of yourself with sober judgment, in accordance with the faith God has distributed to each of you. 4For just as each of us has one body with many members, and these members do not all have the same function, 5so in Christ we, though many, form one body, and each member belongs to all the others. 6We have different gifts, according to the grace given to each of us. If your gift is prophesying, then prophesy in accordance with your faith; 7if it is serving, then serve; if it is teaching, then teach; 8if it is to encourage, then give encouragement; if it is giving, then give generously; if it is to lead, do it diligently; if it is to show mercy, do it cheerfully.

There are 3 basic components to the structure of the GLOVES Ministry:

1. **Projects (People in Need)**
2. **Volunteers (The Servants)**
3. **Funding (Offerings to the Ministry)**

With these 3 things, we can accomplish our mission which is to bring Glory to God by helping His people that are in need. We have established a Church In-reach and Community Outreach ministry designed to address virtually any need.

Projects (People in Need)

Referring people in need to the ministry is quite easy. If you yourself or if someone you know is sick, disabled, suffering or just unable to do something then they can be a project referral. Visit the church website or go to www.loumc.org/GLOVES and there you can fill out the project referral application and submit it to the GLOVES ministry at Live Oak Church.

This is the criteria we use when determining if we are able to accept and complete a project:

PROJECT SELECTION CRITERIA:

- **Job Description**
- **Extent of Workload**
- **Geographic Location**
- **Number of Team Members Required**
- **Number of Team Members Available**
- **Cost of Items / Materials**
- **Availability of Funds**
- **Priority**

**GLOVES bases project selection by the criteria listed on the previous page. GLOVES does not discriminate against any project by social class, race, ethnic background, or religion.*

Volunteers (The Servants – YOU!)

If you are interested in becoming a team member with the GLOVES ministry, you may visit the Church website or go to the same link as for the projects: www.loumc.org/GLOVES and there you can fill out the volunteer application and submit it to the GLOVES ministry.

**You must be 18 years old or older in order to volunteer unless you are accompanied by a parent or guardian to various projects. There will be projects from time to time that will involve multiple youth, and youth may attend those projects without a parent or guardian with written permission from the parent or guardian.*

GLOVES is a Team of individuals who are:

- **Giving** their time
- **Living** the life that God intends
- **Obeying** His word
- **Venturing** into the community
- **Embracing** the needs of others
- **Serving** His people

Contributions (Offerings to the Ministry)

A separate fund has been established for direct contributions to support the ministry. If you are interested in supporting the ministry or any of its projects, designate the amount of your offering you wish to contribute to GLOVES.

Ephesians 2 : 8 – 10

[8]For it is by grace you have been saved, through faith—and this is not from yourselves, it is the gift of God— [9]not by works, so that no one can boast. [10]For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do.

Just as years, decades and centuries passed, God is still preparing good works for Us (His people) to do. We are His handiwork! We were created in Christ Jesus to do good works for Him! God has prepared and is right now preparing opportunities for You to Serve!

Join with your Brothers and Sisters in Christ at Live Oak Church and let's make a difference for the Kingdom! Whether it be Disaster Relief throughout the State of Louisiana or one of the local projects right here in Watson or in Livingston Parish, I look forward to making a difference with you!

Bringing Glory to God, Community Outreach, Effective Volunteering, Making A Difference!

DISASTER RELIEF BY STEPHEN HEBERT

Since September 1st, Live Oak Church and the GLOVES Ministry has been diligently working and serving people all over the State of Louisiana providing Disaster Relief in response to Hurricane Ida. We were able to help some of the same Churches and communities that helped us during the Great Flood of 2016! Our teams have cooked and served thousands of meals, we have collected and distributed truckloads of supplies, and we are continually doing house-gutting and repairs as well as tons of clean-up work! These projects, near and far, will continue into the future, and they will be ongoing for months if not years to come, very similar to the way it was for us after Katrina, Rita, Gustav and the Flood just to name a few of the disasters that knocked the wind out of us.

These are some of the areas where our teams have been serving the last few months:

- Buras
- Cut Off
- Denham Springs
- Dulac
- Grand Isle
- Houma
- Killian
- Port Vincent
- Watson

For the month of November, we will be promoting Live Oak Church's GLOVES Ministry. We would love for you to get involved! We all have been given different gifts that we have been blessed with, and when we come together as the Body of Christ and serve God's people, meeting the needs that are all around us, the impact we can make is eternal!

To Contribute to the Ministry, please designate your offering amount to "GLOVES"
