FROM THE PASTOR'S DESK

I love the Easter Season! I love the warmer temperatures, the near perfect weather, and the beauty of the Spring. What I really love is reminding the world of the resurrection of Jesus! The resurrection of Jesus is the greatest hope for humanity as it brings life abundant and life eternal to all who believe.

One of the reasons I went into full time ministry was because of the call of God, to share with as many as possible the great hope of Messiah. I realized many years ago there are so many who do not fully understand just who Jesus is (Yeshua in Hebrew) and why He came into the world, and once we understand who He is and believe in Him for eternal life, how He changes everything.

In the month of April we will be looking at the **Ministry, Mystery and Message of Messiah**, as we explore Jesus as the creator of life, the redeemer of humanity and the victor over sin, death and the grave.

So come join us this Easter season as we celebrate life in Messiah and remind the world once again who Jesus is and the hope, and joy we can have in Him.

I hope to see you Sunday.

Mark C.

FOR EVERYTHING THERE IS A SEASON

As Christians, we value all Scripture. We know and cherish every word that comes from the mouth of God. Yet, there are some scriptures that are so well known, that almost everyone has heard them in some form or fashion; "Love thy neighbor," "It is more blessed to give than to receive," "Turn the other cheek," and "Do unto others as you would have others do unto you" are all prime examples. Ecclesiastes 3 is another passage that has permeated culture. Solomon wrote, "There is a time for everything, and a season for every activity under the heavens: a time to be born and a time to die, a time to plant and a time to uproot, a time to kill and a time to heal, a time to tear down and a time to build..." These words are true, and a poignant reminder that although we may not always be ready for the next season in life, we must let go of what has been, and allow God to lead us into what He is doing in front of us; fulfilling the mission which is the Gospel of Jesus Christ.

As old news clippings attest to, Watson was abuzz in 1950. Live Oak Methodist had just completed the construction of a brand new building. The new white building would replace the cherished 1893 church that had served this community for 57 years. The 1893 church was preceded by the pre-Civil War church that was destroyed, and rebuilt shortly after the war. Half a dozen church buildings and 150+ years later, Live Oak Church is blessed to have a deep and rich history of God working.

The old white building on our campus is that building built in 1950, and most recently housed our Thrift Shop and Food Pantry. In fact, the old white building has undergone a number of iterations, and housed many different ministries. Originally constructed to serve as a Sanctuary for worship, it hosted fellowships, had education rooms, scouting space, the aforementioned food pantry and thrift shop, disaster relief distribution, and so much more. The old white building has been an incredible asset through the years to our church and this community.

Unfortunately, and with great regret, the time has finally come to allow the old white building to go with dignity. Due to a host of reasons - unsafe asbestos levels, black mold throughout the building, unsafe electrical wiring, new building standards, and many

other reasons - the building is no longer safe, capable, or viable for continued ministry use. Although this was a difficult decision, having been discussed for years, and by dozens upon dozens of committee members, taking action now allows us to properly dismantle the building with dignity and maintain the integrity of what this building stood for.

The site will be returned level to the ground when the project is complete. Special protocols will be followed for abatement and remediation of hazardous environmental factors present. After the full abatement and remediation of the building, the church is planning to secure, as able, significant and meaningful pieces of the old building (stained glass, the cross on the top of the building, etc.) for display or use in future buildings. This will allow us to honor our rich past as we continue to move forward into the bright future God has before us.

We are reminded of Paul's words to the Philippians: "One thing I do, forgetting what lies behind and reaching forward to what lies ahead." God has great things in store for Live Oak Church, and we can all be excited to be a part of His work as He continues to use His people for His glory, and for the Kingdom of God.

FOR EVERYTHING
THERE IS A SEASON

Ecclesiastes 3:1

A DROP FROM THE ALTAR BY SAM LOBELLO

One of my seminary professors used to say to his class while teaching, *"This is a drop from the altar."* He was communicating to his students that what he was about to say was important and may well appear on the next test. As a result, it would be wise for us to remember it.

As I have journeyed through life God has given me *"Drops from the Altar"* from time to time. I have tried to remember them and apply them to my life. I will share one with you each month. I hope you find them to be helpful in your journey, as well.

*"Jesus manages the tension of love, yet never
condoning or participating in sin.*

This is the tension we are called to strive for."

Dr. Mark Crosby

FOR GOODNESS SAKE, MAN UP! BY SAM LOBELLO

I had been saved for 3 ½ years growing spiritually while being faithful to worship and Bible study. My second 3 ½ years, as a believer, I pastored a rural church in Springfield, LA. Next, I was called to be the Associate Pastor/Education/Youth at a Church in Baton Rouge.

I was attending my first Deacons Meeting ever. One of the deacons was speaking to our Senior Pastor in a way that I felt was disrespectful. Our Senior Pastor never lost his cool. Instead, he was patient, kind, gentle, loving and self-controlled.

I didn't want to make a scene in my first Deacons Meeting, so I said nothing. However, after the meeting I followed my Senior Pastor into his office and said, "For goodness sake, man up! Don't let him talk to you that way!"

My Senior Pastor responded with these words, "Sam, do you believe Jesus was weak?" I said, "No! He has all power and authority in Heaven and on earth. He's not weak!" My pastor then said, "That's right, Jesus is not weak, He is meek. Do you know what meekness is?" (As I was

pondering my answer he said) "Sam, meekness is harnessed strength. Indeed, Jesus was not weak. He harnessed His strength. He was meek. I came up in a family that could not often afford to buy meat. We couldn't afford a TV. So, what we did for a hobby was debate. As a result, I was constantly debating with my sisters, my mom and my dad on a variety of topics. I took debate at LSU. Sam, I could take those deacons and turn them upside down and inside out in a debate. But I choose not to, because I'm the one God has sent here to be the shepherd of this flock and I love them. I don't want to render harm to them. So, I harness this strength. Sam, don't you ever confuse my meekness for weakness."

Needless to say, this Minister of Education got an education that night. I have never forgotten that lesson. Sometimes the profound things our Heavenly Father teaches us is not in a classroom, but as we do life. How about you? As you do life what has your Heavenly Father been teaching you?

We have been blown away with participation for our last few events. We have used our skills to make tasty charcuterie boards under the instruction of Fête au Louisiane. We have pounded our stress out and made beautiful Easter string art led by Faith. If you have not been able to join us yet, make plans to attend one of the exciting events coming up. Our next adventure will be a little more relaxing as we don our pajamas and watch *Overcomer* with Priscilla Shirer. That will lead us into a 5 week Bible study based on the movie. The bible study will take place on Wednesday nights, perfect for moms dropping off their kids for church. Feel free to contact us with any questions. Make sure to check out our Facebook page for more information and pictures of our events. Look forward to seeing you soon!

So please be a part of our history as a church family and share the recipes your family loves to gather around the table for.

FAMILY EASTER EVENT

Sunday, April 10th at 4:00p we'd like to invite our entire church family to join us for our Family Easter event at Live Oak Middle School. You don't have to have kids to come to this event.

We just want a time of fellowship for our entire church family. All you need to bring is a blanket or chairs to sit on while you eat. We will have an Easter egg hunt for the kids and dinner for the family. We are asking our church family to drop off pre-filled Easter eggs to the church lobby in the next few weeks. Thank you in advance for making this event successful. We do need a headcount so we have enough food, so please register by scanning the QR code provided on the previous page (16), by calling the church office, or by going on the church app. Please e-mail faith@loumc.org if you have any questions.
