

**I Believe In God The Father,
Almighty Creator Of Heaven & Earth**

June 07, 2026

Genesis 1:1; Psalm 19:1-4; Romans 1:18-23; Hebrews 11:6

Sometimes We Forget The Most Important Aspect Of Our Life

I. What is the most important aspect of our life?

- A. Our understanding of God
- B. Our connection to God
- C. Our relationship with God

II. We forget we were made to serve the all powerful, almighty, everlasting God

- A. There are 4 things that need to be in our life
 - 1. A growing knowledge & view of God
 - 2. A confidence in God's grace, truth, & love
 - 3. Realization that God is the one who can & will hold us together
 - 4. That God is worthy of our worship, love, praise, & best
- B. We forget the 1st revelation of God is His creation

**III. The Heavens declare the glory of God
Our 1st Bible is nature**

- A. When you look into the night sky you see the glory of God
 - 1. Did you know there are 2 trillion galaxies in our universe?

- 2. Closest to us is Andromeda, 2-5 million light-years away
- 3. Whirlpool galaxy 31 million light-years away
- 4. God spoke this into existence, Psalm 33 - Heavens were made by the word of the Lord
- 5. God spoke the stars into existence

IV. A brief overview of the greatness of God when viewing His creation

- A. Our sun 93 million miles away
 - 1. 960k Earths could fit in the sun
- B. Betelgeuse 2 times the size of Earth's orbit around the sun
 - 1. Could fit 262 trillion Earths
- C. Mucifi 3,000 light-years away, could fit 2.7 quadrillion Earths
- D. Canis majoris
 - 1. Fit 7 quadrillion Earths

V. So what has happened to our reverence & respect for God?

- A. Replaced the truth of God for a lie
- B. Professing to be wise we become fools
- C. Exchanged the glory of God for idols
- D. No longer have a fearful respect for God

VI. What are the 7 primary reasons people give to resist God? (and the response we can give)

- A. Are there any scientific discoveries that point to God?
 - 1. Space time theorems
 - a. Universe had a beginning

- b. We can observe the beginning of our universe
 - c. Any universe that has mass is expanding, has a beginning
 - d. Space, time, matter, & energy all came into existence at once
 - e. Must be a causal agent outside of space, time, & matter
 - f. A transcendent miracle performing God must exist
2. Laws of physics - must be a law giver
 3. Fine tuning
 - a. Gravity
 - b. Electromagnetic force
 - c. Dark matter/dark energy
 - d. Most of universe, 99%, is made up of dark matter
 - e. Can't have a stable spiral galaxy unless embedded in dark matter
 4. DNA information
 5. The human eye
- B. The belief that God is not for them
1. What He created was for you
 2. He came into the world because of you
 3. He died for you
- C. The belief God has nothing for them
1. He holds us together
 2. He gives an assurance
 3. He gives sanctity to life
 4. Love comes from Him
 5. The hope of Heaven comes from Him
 6. He answers the question to life
 7. Right & wrong come from Him

- D. Can't live up to God's standards so why try?
1. We can't but He made a way
 2. Jesus does for us what we can't do
- E. So many things I don't understand about God
1. Things we don't understand are all around us
 2. We don't know what energy is
 3. We don't understand love
- F. God may keep me from doing something
1. That is the 1st lie in the garden
 2. God made you for His glory
 3. To do His will
- G. I had a bad experience with church/religion
1. Told things that were essentials, but were not
 2. Saw division over things that weren't important
 3. Given rules that didn't seem helpful
 4. We get caught up in non-essentials and turn them into essentials
 5. Jesus said "This is eternal life, to know God, and Jesus Messiah whom thou has sent
 6. Over the years lives changed, hope given, assurance declared
 7. The thief on the cross at the gate of Heaven, what that conversation could have looked like

**We Can Know God
As We Embrace His Grace By Faith
& Worship Him In Spirit & Truth**
